Aantallen visumaanvragen kort verblijf OP-landen binnen EU 2006 - 2012

NB:

Aantallen m.b.t. 2013 zijn nog niet bekend.

"-" is niet van toepassing of niet/onjuist opgegeven aan de Europese Commissie

Vanaf 2010 zijn de cijfers van de EU-lidstaten die nog geen deel uitmaken van het Schengengrondgebied (BUL, ROE en CYP) buiten de statistieken gelaten.

De aantallen bevatten alle kort-verblijf visa die door een Schengen-post op een bepaalde locatie zijn afgegeven, dus ook de visa die in vertegenwoordiging zijn afgegeven.
