Top 3 Priorities Survey for the 2024 Annual European Union Work Programme on Standardisation

Fields marked with * are mandatory.

Draft Annual Union Work Programme 2024:Top 3 priority survey. High-Level Forum European Standardisation

Building on the completed consultation process for the 2024 AUWP, and in paralell to the ongoing stakeholder consultation, we are asking members of the High-Level Forum to identify the top three priority actions in the draft AUWP. This is a chance for members to underline and steer the areas where they think the Commission should be actively involved in standardisation efforts.

This survey will remain open from 17 October to 7 November 2023.

* Please indicate the High-Level Forum on European Standardisation member you are representing

Text of 2 to 350 characters will be accepted

The Netherlands - Ministry of Economic Affairs and Climate
